

BRIDGING THE GAP

Volunteer Form

If you live in British Columbia or the Yukon and you would like to sign up to be a temporary contact, please print out this form and email or mail it to the BC Yukon Area 79 Treatment Chair.

Bridging the Gap is a temporary contact program designed to assist the newcomer to Alcoholics Anonymous, and to make the transition from a Treatment facility to AA.

The purpose of "Bridging the Gap" is to supply the newcomer a temporary contact when they get home from the facility. The way it works is when a person is leaving a facility he or she states that they would like a temporary contact when they return home. The temporary contact can then take the newcomer to a few meetings and introduce them to Alcoholics Anonymous.
