Thank you for sharing the weekend of fellowship with us.

Our hope is that you heard something, felt something, or discovered a new friendship that will make a difference in your life or in the life of someone important to you. If you came here with sobriety, serenity and a new freedom, our hope is that you will share it with someone so that you too may keep it.

We hope you enjoyed your weekend. May the God of your understanding be with you as your journey home.
